or call Amgen SupportPlus at (866) 264-2778
Monday – Friday 9:00 am – 8:00 pm ET.

AMGEN[®]

Financial Support

We know every patient has unique needs. And we're here to provide financial support information and resources, regardless of your current financial situation or type of insurance you have.

Amgen® SupportPlus Co-Pay Program

The Amgen SupportPlus Co-Pay Program may help patients with private or commercial insurance lower their out-of-pocket costs.

Patients may pay as little as **\$0* out-of-pocket** for each dose

- Can be applied to deductible, co-insurance, and co-payment*
- No income eligibility requirement

Scan QR code to check your eligibility and sign up today at AmgenSupportPlus.com/copay.

What if I don't have private or commercial insurance (eg, self-purchased or through an employer)?

Amgen® SupportPlus can provide information about independent nonprofit foundations that may be able to help.†

Amgen® Nurse Partners‡

Depending on the Amgen medication you are prescribed, you may have access to dedicated Amgen Nurse Partners, who can offer supplemental support to help you on your treatment journey.

Amgen Nurse Partners can provide supplemental support, including:

- Guidance on resources that may help lower out-of-pocket medication costs
- Assistance to help you stay on track with your medication
- Answers to your questions about Amgen® SupportPlus

*Eligibility criteria and program maximums apply. See AmgenSupportPlus.com/copay for full Terms and Conditions.

†Eligibility for resources provided by independent nonprofit patient assistance programs is based on the nonprofit's criteria. Amgen has no control over these programs and provides information as a courtesy only.

‡Amgen Nurse Partners are only available to patients that are prescribed certain Amgen products. They are not part of your treatment team and do not provide medical advice, nursing, or case management services. Amgen Nurse Partners will not inject patients with Amgen medications. Patients should always consult their healthcare provider regarding medical decisions or treatment concerns.
